Only one language course will be counted toward the minor.

Required Focus:

OPTION A: STUDY ABROAD

After satisfying the core requirements, the student is encouraged to choose an area for overseas study through consultation with the Director of the Office of International Studies. Credits earned while studying abroad will constitute the remaining courses for the fulfillment of the minor. Upon returning to campus or upon completion of the minor, the student will register for the capstone course LANG 499.

Option B: On Campus

In Option B, the student must first satisfy the core requirements. Remaining courses will be selected so that they constitute a focus of interest such as Latin America, Asia, the Arts, or General Comparative.
