*A minimum grade of C- or better is required in all major coursework*

The above General Education Courses and Program Courses are minimum requirements. Students with specific career goals in the Allied Health Sciences should be aware that some disciplines require more advanced courses than those listed. Therefore, if you know your career path, or if you believe you may transfer into a B.S. degree program at MSU Billings or another university, it is essential that you consult with your advisor in the Science Department so that you proceed efficiently in your studies.
