

When you search for information, you're going to find lots of it . . . but is it good information? You will have to determine that for yourself, and the CRAAP Test can help. The CRAAP Test is a list of questions to help you evaluate the information you find. Different criteria will be more or less important depending on your situation or need.

Evaluation Criteria

C

relevance: The importance of the information for your needs .

x Does the information relate to your topic or answer your question?

x
