

ACADEMIC SENATE MINUTES

Motion carried.

Item 32 AS Program of Study in Human Resources General Applied Emphasis.

John Cech, Dean of the College of Technology, stated that the COT is also part of a consortium including Bozeman that recently received a federal appropriation which will also help pay to pilot this program. MSUB has a spring start for our students, while the other campuses are starting in the fall semester. All the same courses will be taught at the four campuses. There will be one full-time faculty hired to run the program, with area experts serving as part-time faculty. Mr. Gagnon noted that there are some current faculty at the COT who will also be able to teach some of the courses, and expertise can be shared among the four institutions involved in the project.
