Discussion/Action Items Ι.

_

A. Tabled Items from Last Week: PHIL 314, HON 181, HON 182

Item 11.b PHIL 314 Business Ethics

Item 11.g HON 181 The Ancient and Medieval Worlds Item 11.h HON 182 The Renaissance and Modern Worlds

The question was again raised as to whether the College of Business needs PHIL 314 and ENGL 301 to be 300-level courses. It was noted that the COB doesn't have a need for the upper level, but the Department of English and Philosophy may want the courses at that level. It was observed the real issue is, are we totally opposed to upper level courses in Academic Foundations?

It was noted that the Fine Arts subcategory may end up being a bottleneck for students to get a seat in a class, especially with fewer music offerings. We may have to ask the Music and Art Departments to fast-track their new or changed courses.

- Motion carried with one abstention.

The meeting adjourned at 4:52 p.m.

Respectfully submitted, Rita J. Rabe Meduna.
