So, are we adequately working with the City College Gen Ed Department? We want to

review each and every writing-intensive course, which is a very heavy-handed thing for the Committee to do.

E. Writing Requirement: How should we indicate the requirement on the plan of study?

If we decide we will require at least one writing course for every student, we could add a line to the advising sheets that students must take one WRIT course.

More discussion and a vote at the next meeting.

F. Review of Gen Ed Courses for 2013-2015 Catalog

The Chairs have been notified they are to review their Gen Ed offerings for appropriateness. About one third have reported back.

The meeting adjourned at 3:35 p.m.

Respectfully submitted, Rita J. Rabe Meduna.
