Dr. Tasneem Khaleel, Chair, Biological and Physical Sciences, explained the reasons behind the changes in Items 119 and 119.a. The teaching certificate option credits added up to 129 credits, rather than the required 128, which was an error of the Biological and Physical Sciences Department.

The UCC decline to deal with items 119, 119.a, 121, and 118 because the requested changes were already put into the 2001-03 catalog.

The meeting adjourned at 4:30 p.m.
