Item 50.e ITS 284 Network Storage. New course.

- Motion by Brian Gurney, seconded by John Hoover to **approve Items 50 through 50.e on first reading.**

Terry Hoffer, Computer Technology, stated that these changes are mainly to keep the courses up to date with Microsoft's latest releases. The program change adds the new courses to the program. They have also removed the business course and added a new network storage course to the program. Since it's important for students' transcripts to reflect what version of Windows they learned, the ITS courses now have a set of course numbers ready for many years to come.

- Motion carried.

- Motion by John Hoover, seconded by Brian Gurney to **waive second reading of Items 50 through 50.e.**

- Motion carried.
