Hello UCC Members,

At our last meeting, we discussed and approved adding RD 101 as a prerequisite for the freshman writing course. City College has now added the same requirement to their 100-level writing courses. The language of the prerequisite is exactly the same.

- WRIT 104 Workplace Communications. Add prerequisite.
- WRIT 121 Introduction to Technical Writing. Change prerequisite.
- WRIT 122 Introduction to Business Writing. Change prerequisite.

Please indicate if you approve Items 65 through 65.b on first reading (with no second reading), by using the voting buttons above, or simply reply to this email.

The vote was 11 for, 0 against, and 0 abstaining.
