- Motion carried.

The Committee agreed Items 25 & 25.a will go to the Senate as action items.

It was suggested that the Art History electives be listed in DegreeWorks (not the catalog) to make it easier for students and faculty advisors.

- Motion carried.

- Motion by Joseph Bryan, seconded by Ying Wang to **waive second reading of Item 23.**

- Motion carried.

The Committee agreed Item 23 will go to the Senate as an action item.

Item 24 Social Science (Broadfield) Endorsement Licensure. Modification to an existing program.

- Motion by Jennifer Scroggins, seconded by Joseph Bryan to **approve Item 24 on first reading.**

After Environmental Studies moved forward with deleting GPHY 111 Intro to Physical Geography and creating GPHY 262 Spatial Sciences Technology and Applications, this program still had the GPHY 111 course in it. The new GPHY 262 will be approved by Senate soon, so it should be added to this program as well.

It was noted that while an email is attached from the Chair of Educational Theory & Practice agreeing to this change, it was not reviewed by the COE Curriculum Committee. It was agreed that the UCC will have first reading today and hold second reading until the COE Curriculum Committee has had a chance to review the proposal.

- Motion carried.

The meeting adjourned at 4:42 p.m.
