

UNDERGRADUATE CURRICULUM COMMITTEE MINUTES

Date: December 8, 2021

Present: Aaron Mertes
Bert Finger

Carl Castles
Jennifer Suggins

- Motion by Elaine Westbrook, seconded by Sougata Das to waive second reading of Group 4, uts

Group 7		
Broadfield Science Bachelor of Science Degree	Edited	11/23/2021

- Motion by Elaine Westbrook, seconded by Kelly Shurway to approve Group 7 on first reading

Dr. Castle noted that back when they received a grant to start the Broadfield Teaching major, they were told they must have a non-teaching major paired with it. No one ever takes this program. These changes target the non-teaching major from the teaching major. Non-teaching students will still take the same core, with an added option to take geography/GIS courses. They will also be able to choose a concentration in environmental science or physical science (physics, chemistry, earth science), and there are no upper division credits in the program. The learning outcomes will be updated.

- Motion carried
- Motion by Brent Fingers, seconded by Supta Das to waive second reading of Group 7
- Motion carried

It was agreed Group 7 will go to the Senate as advisory items.

The meeting adjourned at 4:46 pm.
