

- ◆ **Would you like to collaborate with others to better serve and prepare girls for STEM (science, technology, engineering, math) related careers?**
- ◆ **Are you interested in receiving a mini-grant to help fund collaboration with another program?**
- ◆ **Would you like the opportunity to learn about best practices and resources?**
- ◆ **Do you want to meet and support other individuals and organizations interested in STEM education?**

Who should attend?

The workshop is \$10 per person. Scholarships are available. Register online at:

or go to [ngcproject.org](http://ngcproject.org)
